March 10, 2012

Pier Wisconsin - Home to Discovery World

500 N. Harbor Drive, Milwaukee, Wisconsin

Thank you for attending Swing with Shorewood 2012. This year marks the ninth anniversary of Swing with Shorewood! I have continued to be inspired by the loyalty of attendees and sponsors who have joined us, supported us each year, and by the enthusiasm of those new to the event. Now, more than ever, champions in our community, YOU, are called upon to help meet the rising need of increased educational costs and decreasing state aid.

Since the first “Swing” in 2004, the event has changed and grown in many ways, and it has raised over \$585,000 to fund SEED grants and the General Education Fund. This assistance has helped to maintain faculty and staff positions and school programs in the face of serious budget reductions. What has not changed about this event is the amount of work it takes to coordinate the 4000 details to have the best sponsors and auction in town. I have been honored to work with this year’s Swing with Shorewood Committee listed below. Thanks to each Committee member for their work on behalf of the event, and for their dedication to increasing private financial support in order to maintain our community’s outstanding public schools. A special thank you to Beverly Goldberg, Lisa Kovalcik, Tracy Nickolaus, and Christin Wille for their great leadership and hard work.

The generous support of our event sponsors has been key to the event’s growth and success, and I want to extend our deepest thanks to First Weber Group Realtors for their ongoing participation and partnership. First Weber has remained our presenting sponsor over the history of Swing with Shorewood, setting a wonderful example of community support for our schools. Finally, I want to acknowledge the hundreds of donors to this year’s Swing with Shorewood Auction. The Auction represents a significant portion of our revenue each year, and every donation helps positively impact SEED grants to the Shorewood Public School District.

Again, many thanks for joining us at Swing with Shorewood, and for supporting the SEED Foundation mission. What is that saying? Bid high, bid often, and help us to achieve our fundraising goal for the event of \$90,000!

Auction Rules and Guidelines

All items are sold AS IS. Item descriptions and values have been provided by donors and are not warranted by the SEED Foundation for any purpose. The Foundation makes no warranty regarding the quality of auction items.

All sales are final and are subject to the terms the donor has placed on the item. There will be no exchanges, unless noted otherwise, or refunds. Every attempt has been made to list all restrictions and expiration dates, where applicable. The Foundation urges all participants to note specific terms on items such as gift certificates, trips, vacation home stays, etc. You must contact the donor directly to arrange for purchased services.

The foundation reserves the right to disqualify bids not submitted in accordance with established minimums and to adjust subsequent bids. Auction closing times are approximate. Changes in closing times will be announced at the event.

Winning bidders will be invoiced for their purchase at the event. **Check-out opens at 10 p.m.** Payment may be made with cash, check, Visa or Mastercard. **All items must be removed from the premises by midnight. Items not removed will be delivered for a \$15 fee.**

Items left unpaid must be claimed by the high bidder within five business days. Following that time, unpaid items will be offered to the next highest bidder.

Thank you for your support of the SEED Foundation and Swing with Shorewood!

A Letter From the Board President

Welcome and on behalf of the Seed Board of Directors, thank you for attending the Shorewood SEED Foundation's 9th Swing with Shorewood event! We are very excited about this evening and thank you all for supporting SEED throughout the years.

The SEED Foundation began nine years ago as a grass roots effort to raise funds to support our schools. With the help of our generous contributors and special events, SEED will reach the historic mark of raising over a MILLION dollars this year. These funds raised have funded teacher grants in the areas of technology, safety, and instructional experiences. Also, throughout the years we have made large contributions directly to the General Education Fund which has helped preserve jobs, programs, and class sizes. Students, teachers, and administrators have expressed their gratitude for your generosity and their excitement about the positive impact SEED grants have had on the classroom experience.

All this could not have been accomplished without the dedication and hard work of many volunteers. I want to personally thank all those who give generously of their time and talent to help SEED grow. This includes all of the volunteers for tonight's wonderful event, all who support our efforts throughout the year, and the SEED Board of Directors, past and present. A special thank you to Tracy Nickolaus, Christin Wille, Beverly Goldberg, and Lisa Kovalcik who have helped lead this monstrous fundraising effort for the past two years.

The active involvement of parents, students, teachers, administrators and community businesses is what makes Shorewood so unique and wonderful. Continued financial support, and the contribution of time and talent to take SEED into the next five years and beyond are even more crucial today. We ask that you stay connected to SEED- attend our events, volunteer your time, consider serving on our board and spread the word about the difference SEED has made in our schools and community.

Enjoy yourselves this evening as we celebrate nine years of SEED accomplishments together.

Thank you for making a difference!
