Dear parents, educators and friends,

Thank you for joining us for Swing with Shorewood!

Tonight is a night to “celebrate” not only Shorewood Public Schools but coming together as a community and working toward the common goal of ensuring our schools are the best they can be.

One of the finest things about Shorewood Public Schools is the level of devotion and commitment from parents, teachers, students and administrators. Many care deeply, and it shows by the fact that you are here tonight. Thank you for coming out to support our mission. Your generosity will help provide outstanding opportunities for the kids in our community. They are our future and deserve the best we can offer.

Thank you to those who have contributed time, talent, donated and helped in planning this event. It takes a village and I am proud to be a part of this effort with you!

Enjoy the evening and happy bidding,

*Melissa Nelsen*

## A Letter From the Board President

**Thank you for attending Swing with Shorewood 2015.** This year marks the 12th anniversary of Swing with Shorewood! I continue to be inspired by the loyalty of attendees and sponsors who have joined and supported us each year, and by the enthusiasm of those new to the event. We continue to be called upon to help meet the rising need of increased educational costs and decreasing state aid. This event helps to keep us moving forward in funding excellence in educational development.

Since the first "Swing" in 2004, the event has changed and grown in many ways, and it has raised over \$870,000 to fund SEED grants and the General Education Fund. This assistance has helped to maintain faculty and staff positions and school programs in the face of serious budget reductions. What has not changed about this event is the amount of work it takes to coordinate the 4,000 details to have the best sponsors and auction in town. I have been honored to work with this year's Swing with Shorewood Committee listed below. Thanks to each Committee member for their work on behalf of the event, and for their dedication to increasing private financial support in order to maintain our community's outstanding public schools. A special thank you to Tracy Nickolaus, Christin Wille, Beverly Goldberg and Lisa Kovalcik and for their great leadership and hard work.

The generous support of our event sponsors has been key to the event's growth and success, and I want to extend our deepest thanks to First Weber Group Realtors for their ongoing participation and partnership. First Weber has remained our presenting sponsor over the history of Swing with Shorewood, setting a wonderful example of community support for our schools. Finally, I want to acknowledge the hundreds of donors to this year's Swing with Shorewood Auction. The Auction represents a significant portion of our revenue each year, and every donation helps positively impact SEED grants to the Shorewood Public School District.

Again, many thanks for joining us at Swing with Shorewood, and for supporting the SEED Foundation mission. What is that saying? Bid high, bid often, and help us to achieve our fundraising goal for the event of \$100,000!
